## Survey Response

Hello All,

Attached along with this (short) newsletter I have included my response from all the feedback received in our December 2017 survey.

Thankyou to all that completed the survey and let us know your thoughts and suggestions. I have taken on the suggestions, ideas and constructive criticism and we are looking at what we can do over the next few years.

We received many good comments and a few on topics that I have touched on in my attached response/letter. Some of these topics are: the facilities—cooling, ventilation and changerooms; our classes—discipline, feedback and teachers; voucher swims and learning plateaus.

Please have a read and if you have any questions, concerns or comments I would love to hear them.

Thankyou again.

Regards,

## Seasonal Splash

### EASTER BREAK

In Term 1 the days of the week have different numbers of week due to public holidays and Easter being in the middle of the term (March 30 to April 2). Therefore, to prevent Mondays from having 9 weeks, Tues-Thurs having 11 weeks and Fri & Sat having 10 **we will not have lessons from Tues the 27th March to Mon the 2nd April.** This will leave Mondays with 9 weeks and all others having 10.

### Term 2 2018

We are starting to plan Term 2, 2018 and need to know now what you would like .

I can not offer class times until I have heard from everyone and know where we have spaces available.

If your account is not finalised by Week 8 of term, your space will not be held.

Please talk to us in the office or email us as soon as possible.
